Grootfontein skoukomitee 2025

'Sirkus' kom Grootfontein toe

"Grootfontein Skou 2025 se tema is sirkus want ons (of dan meeste van ons) onthou nog uit ons kinderdae die afwagting, die opgewondenheid en die slapies aftel totdat ons as gesin "gaan sirkus" het!" gesels Nita Pretorius, wat sedert 2023 die leisels as skoupresident oorgeneem het.

"Die sirkus-plakkate het ons al laat begin dink en droom! Wanneer die groot tent eers opgeslaan was, was dit vir ons 'n heel nuwe wêreld. Die laaste een wat ek kan onthou, was regs van die pad op pad Natis toe. Onthou nou – ons praat van

Skouprogram

Die Grootfontein Skou vind vanjaar plaas van 17 tot 19 September 2025, met 'n vol program wat iets vir elkeen bied.

Behalwe vir die tradisionele bees-, kleinvee- en perdeskou, is Grootfontein vir die derde agtereenvolgende jaar die trotse gasheer van die Nasionale Saalperdkampioenskappe. Daar sal ook Vries-, Vlaam-, Arabier- en kruisperde te sien wees.

Boere en landbou-entoesiaste kan uitsien na 'n reeks akkerbou-praatjies by die Inteligro-trein.

Op die terrein word verskeie trekker- en implementvervaardigers verwag, sowel as landbouondernemings wat spesialiseer in ·e-voertuie, geëlektrifiseerde heinings,

'n tyd toe daar nog geen TV, slimfone, Google of allerhande tegnologie was nie.

"Dit is die opwinding wat Grootfontein Skouvereniging se 2025-komitee vir Grootfontein en sy omliggende dorpe wil bring. Vanaf 1911 is dit min of meer wat elke komitee probeer doen het: Om aan ons gemeenskap iets te bring wat jou vir drie dae laat vergeet van die daaglikse stryd om kop bo water te hou.

"Kinders ken nie meer van slapies aftel nie – vandag moet feesorganiseerders regtig baie fondse hê om te kan kompeteer met dit waartoe ons en ons kinders vrye toegang toe het deur middel van tegnologie."

Nita sê hulle kry gereeld die vraag: 'Gaan daar 'n Merry-Go-Round wees?'

"Ongelukkig nie. Teen 'n kwotasie van N$1,3 miljoen – net om dit tot by ons dorp te bring – is dit eenvoudig buite ons bereik. Maar dit gaan ons nie laat moed verloor nie. En dit beteken ook nie dat ons iets halfhartig of afgewater gaan aanbied nie.

Grootfontein en baie plattelandse dorpe het 'n gemeenskap wat saamstaan in moeilike tye. Ja, dwarstrek ook, maar ons as 'n komitee werk met saamstaan. "Ons werk met mense wat 'n verskil wil maak. Dis met trots, afhanklikheid en nederigheid wat ons as skouvereniging hierdie gemeenskap dien en dikwels met 'n bewing in die hart en klip in die maag iets nuuts probeer aanpak.

Vanaf Dinsdag 16 September 2025 begin die lewendehawe lorries aankom, Woensdag hou ons 'n groot vlotoptog met almal se lag en deelname en daarna 'n amptelike opening en prysuitdeling.

Op die skouterrein is ons dankbaar vir talle uitstallers, vol sale en heerlike kindervermaak terwyl ieder en elk lekker langbeen sit kuier. Dan is jy saam met jou buurman bly oor sy prestasies, terwyl ons lekker eet en tussenin dankie sê aan ons Hemelse Vader vir 'n uitsonderlike geseënde reënjaar.

"Dankie Grootfontein Skoukomitee – julle is DIE BESTE. Dankie dat een 'n deeltjie van 'n legkaart kan bring, en almal dan aanvul tot ons DV 17 tot 19 September 'n SKOU kan aanbied. "Aan ons Vader die eer, vir voorsien, vir gesond hou, vir liefde en vir afwagting.

"Mag jy ons skou kom bywoon en help om Grootfontein sommer LEKKER te maak!"

besproeiingstelsels, saad en ander akkerboubenodigdhede, ontbossingsdienste, algemene plaastoerusting, en landbouversekering. Vir die fynproewers wag 'n verskeidenheid kosstalletjies – van egte braaivleis tot vars seekos. Kinders kan uitsien na die splinternuwe Prime Steel Skoutreintjie, spring- en waterkastele en die immergewilde spookhuis. 'n Spesiale vroueprogram word aangebied, terwyl talle uitstallers onder meer klere, juwele, geskenke, leerprodukte, handsakke en boeke aanbied.

Endurance Riding: 13-Year-Old Impresses at Fauresmith

Twelve Namibian riders competed individually at the gruelling 205 km Faure-smith endurance ride in South Africa's Free State last week – widely considered the toughest event of its kind on the calendar.

Out of more than 280 starters, only 149 horses completed the full distance.

Six Namibian riders were among the successful finishers.

The standout performance came from 13-year-old Jacobus Potgieter, who placed third n the child riders' division.

His horse, Jabula Pikkewyn, also claimed the award for the best conditioned horse in the same category.

Other Namibian results inclu-ded Vune Robberts (11th) and Elbé Potgieter (12th) in the junior division.

In the adult categories, Maya Janbey placed 16th in the lightweight division, while Steven Goawab (20th) and Hannelie Coetzee (41st) finished in the standard weight class.

Rugby: Wanderers Lift Inaugural JSB Trophy

FNB Wanderers Trophy FNB Wanderers were crowned

the first-ever JSB Club Cham-pionship winners with a gritty 8–3 victory over FNB Grootfontein in the final played this past weekend.

Grootfontein opened the scoring with an early penalty, but Wanderers responded with a try and a crucial penalty kick to seal the low-scoring, physical contest.

The final showcased solid defence and strong fitness, with both teams pushing to the limit.

Wanderers took home N$25 000 in prize money, while Grootfontein earned N$15 000 as runners-up.

Wanderers' captain, Andre Augustyn, credited his team's resilience, while Grootfontein reached the final by defeating Trustco United 19–12 in the semi-finals. Wanderers booked their place with a narrow 7–5 win over FNB UNAM.

Despite missing out on the final, Trustco United topped the round-robin standings with 27 points, followed by Wanderers (25), FNB UNAM (18), Grootfontein (12), FNB Dolphin (8), and FNB Western Suburbs (3).

Gymnastics: Tsumeb Club Rebuilds with Passion

Tsumeb Gymnastics, one of Namibia's oldest gymnastics clubs founded in 1988, is undergoing a strong revival - all happening under a new coaching team and committee.

The club currently trains 16 gymnasts across Levels 1 to 3, offering artistic, rhythmic, and recreational gymnastics.

Coaches Mandy Puleston, Heleen Steyn and Zenobia Hill are leading the team.

Gymnast numbers are in-creasing and there has been notable performances at national events – including a silver medal in the Level 2 group dance at nationals during last year.
